Happy Birthday

Marcus, Ariana, Luca, Charlie & Libby

We use Zones of Regulation at school to develop emotional literacy; the ability to talk about feelings and the experiences that cause them. Talking about how a child is feeling, the experience that has made them feel that way and strategies to help them regulate their emotions are part of our daily conversations. For your information, here are the four zones and some of the feelings associated with them.

Blue: sad, tired, bored, poorly—moving slowly

Green: happy, calm, focused, proud—ready to learn

Yellow: frustrated, worried, silly/wiggly, excited—some loss of control

Red: angry, terrified, elated, panicked—out of control

Christmas Arrangements

Christmas Cards If your child would like to send some Christmas cards please do. The post box will go out on Monday 4th December outside the School office for your child to post them. Please make sure you put who the card is for and the child's class. Class Teachers will email you a class list with first names

Christmas Class Parties will be on 19th December. There will be a mystery visitor!

Christmas Assemblies will be filmed by the school and will be shared. Please be mindful of what you share on social media. Images of other children must not be shared unless you have got permission from their parent. If you **do not want your child to be filmed please let your child's class teacher know by Tuesday 5th December.** At the end of the assembly there will be an opportunity to take photos of your child. We have children who cannot be filmed during the assembly so we would appreciate if you didn't film & just sat back and enjoy the assembly! After drop-off please come to the Hall and wait for the start of the assembly. Alternatively the Christchurch Road gate will be opened at 9.10am.

Santa Dash– 18th December

Christmas Lunch– 19th December– wear a Christmas jumper or accessories with school uniform
