Happy Birthday

George, Milo, Thor, Freddie, George, Rex & Pippa

All behaviour is communication. Pro-social behaviours and anti-social behaviours are all rooted in the experiences children have and how these leave them feeling. Children who are feeling safe, happy and ready to learn have the best chance of behaving pro-socially and as we know there are many things that can affect this over the school day or in wider life. A child's ability to understand and explain their own feelings and their ability to decode the feelings of others is key. Emotional literacy skills need to be taught and will influence a child's sense of self and how they interact with their environment.

REMEMBER, REMEMBER.....

6.2.24		Safer Internet Day

Keeping Our Children Safe

The Hertfordshire Safeguarding Children Partnership (HSCP) has been set up so that all agencies and organisations who work with children and young people work together to keep children safe. Call 0300 123 4043 at anytime if you are a child or young person being abused or mistreated; or if you are an adult worried about a young person. Call 999 if you're in immediate danger or a crime is being committed.

Miss Cooper says

 
to Oliver, Gene, Karli, Sam, Primrose, Lily, Eric, Megan, Kacey & Arlo

Well Being Morning

Our next morning will be on 7th February at 9am. Do come along, the pastries are good!

Amazon Wishlist

Budgets in schools have been getting tighter and tighter over the last few years. We often have parents that ask if there is anything they can do, if they are unable to attend the PTA's fantastic events. As a result, we have created an Amazon wish list, which is available for parents to access and donate anything from the list. This will include items such as pritt sticks, pens, pencils and other stationery. There is no expectation that all parents do this, but if you feel you can help in any way, it would be greatly appreciated. To access our Wish List, please [click here](#).

We are an Operation Encompass School. This means if the police ever attend an address and one of our children is registered as living there, we will be alerted via an email. This email contains the report written by an officer attending the call and their risk assessment of the situation. We are informed if a child is present at the time of the call, or not. If we receive one of these alerts via email one of our Designated Safeguarding Leads (Mrs Blake, Miss Cooper, Miss Jackson, Miss Matthew, Miss Hammill & Mrs Sladden) will be in touch with you to check in and see if we can offer any support. On some occasions Children's Services will also contact us and request information from us or suggest ways we might be able to help.

Safer Internet Day 2024

Safer Internet Day 2024 is on the 7th of February 2023, with celebrations and learning based around the theme 'Want to talk about it? Making space for conversations about life online.' It is coordinated in the

UK by the UK Safer Internet Centre, the celebration sees thousands of organisations get involved to promote the safe, responsible and positive use of digital technology for children and young people. In the UK, we are celebrating by putting children and young people's voices at the heart of the day and encouraging them to shape the online safety support that they receive. Please [click here](#) to find out more information on how you can keep your child safe online.
