Happy Birthday

Amelie, Raif, Olivia, Izzy & Isaac

Practical Strategies to improve emotional regulation

When adults at home (and at school) create a structured environment which provides high levels of warmth with high boundaries, children are in the best possible place to learn to regulate their emotions. Avoiding the power-struggle whilst maintaining clear boundaries for behaviour can be difficult to manage. One suggested strategy is known as 'when-then'. When-then is a child-friendly way to remind children that they have something positive to look forward to. When your shoes are on, then we can go outside, When your LEGO is away, then you can choose your programme, When you're sitting in your seat, then you can have a snack, When you've brushed your teeth, then we can have a story.

REMEMBER, REMEMBER.....

Keeping Our Children Safe

The Hertfordshire Safeguarding Children Partnership (HSCP) has been set up so that all agencies and organisations who work with children and young people work together to keep children safe. Call 0300 123 4043 at anytime if you are a child or young person being abused or mistreated; or if you are an adult worried about a young person. Call 999 if you're in immediate danger or a crime is being committed.

Help to manage the cost of living

We are all too aware of the price increases across the board and how it is affecting more and more households. Please do let us know if you need any support and we can signpost you. We are very conscious that there are families who are not eligible for additional funding at school but would greatly benefit from it. Please let us know if that is you. We are here to help. Please [click here](#) for further information from the

The Scholastic Book Fair are in school on the 18th, 19th, 20th, 21st & 22nd March. Parents and children are invited to pop along to the school hall from 3.20pm to 3.45pm to purchase books. IMPORTANT - We will not be taking any orders for books, we will only be selling the books that are available at the Book Fair on the day - so please attend to avoid disappointment. Payment is either card or online payment.

Over the next couple of weeks we will be thinking about trust and loyalty. The children will be learning to recognise relationships in their lives where they feel safe and secure. We will also be thinking about people we can trust—we usually know we can trust them because of the way we feel when we're around them. We will also be learning to recognise what an uncomfortable feeling is—this could be a sign that this isn't somebody we can trust and we should tell somebody. We will think about what it means to show loyalty towards our friends and how they will learn they can trust us because we are loyal.

Charlie from Year 2 suffers from a rare condition called SYNGAP1. His mum, Paula and 10 year old brother Corey, along with family and friends of people with SYNGAP1 Syndrome have decided to do the Anfield Abseil to raise money and awareness of this rare condition.
